2 CHOICES OF CABINET INTERIOR

PURE | WHITE

White Interior / White Exterior

Pure is synonymous with clean, sleek, modern, and timeless styles. We use pure to describe the clean white interiors and shelving for your Impression cabinets. We recommend matching these interiors with lighter door styles, such as White, or Whistler; or create a striking contrast by choosing coloured doors like Zambukka, or Java.

CLASSIC | MAPLE

Maple Interior / Colour Matched Exterior

Maple is one of the most commonly used materials in kitchen cabinetry. Known for its natural allure and warmer hue, maple compliments any look, whether it's traditional, rustic, or contemporary. Pair this interior finish with your choice of wood-like door styles such as Banff, or Canmore.
